Re: Sign Up to Add Your Discount to the 2021-2022 Membership Discount Program!

Dear Business Owner,

As you know, the PA Grand Canyon Snowmobile Club has been a part of Tioga and Potter counties for over 30 years. At our clubhouse and on social media, we provide snowmobilers from around the northeastern U.S. a venue to meet others, get trail maps, view feed from trail cameras we set up on local trails, buy gas for their machines, and buy club merchandise. We also put on group rides and events for antique and modern snowmobiles throughout the winter. Our members (over 300 strong, with many being family memberships) visit the area regularly during these months, and many return during the summer months, as well.

As a special thanks to our members, we solicit discounts from local businesses who are business members, hoping to direct our members to those businesses for their needs. The discounts typically take the form of a percentage or dollar amount off certain services or merchandise (5-10% off, \$5 off, that sort of thing). The discount program for this year's memberships runs from October 1, 2021, to September 30, 2022. Complete the form below to sign up your business to participate in this friendly program and also to have your business promoted on our website and our Facebook page!

Remember to complete your Business Membership Application to be qualified to offer the discounts!
