### Old Business

#### Log Cabin Parking Lot Signs:

The signs for the restaurant's parking lot have arrived and will be in place prior to the season's start. We almost lost access through this property last winter because of snowmobilers "speeding through" their parking lot. The signs will be placed soon, with one at the back of the lot at the green gate and the other by the Rexford Bridge. The signs state:

#### **ATTENTION SNOWMOBILERS**

**This past winter we had a near accident in our parking lot. CRAWL through our parking lot slowly or lose the privilege to do so.**

**The Log Cabin Inn**

**RIDE SAFE**

**The Grand Canyon Snowmobile Club**

*Remember, riding is a privilege, not a right, so be smart, be safe, and be considerate.*

#### Explore the Possibilities, Potter-Tioga Visitors Bureau:

The PAGCSC has a video from our club president, Jim Baney, that was filmed for "Explore the Possibilities" for anyone who might have any questions pertaining to snowmobiling or our club. It can be found at:

#### North Alternate Route:

There was continued discussion about improving the north route because when snow conditions are low, a property owner's gate on the south rail bed 8/10 mile from the Burnin' Barrell will be closed. If that gate is closed, signs will be placed at the south trail entrance. We are still investigating what this work might entail and will let our members know what's decided.

### New Business

#### T-Shirts:

The new t-shirts are in and they look great!

### Notes to Members

#### NOTICES:

- Any club member interested in filling the **one open Board of Director position** should contact the club ASAP. In order to operate properly, as per our by-laws, we should have 7 board members.
- CORRECTION: Gas will be available to our members on a CASH ONLY basis. Remember, feel free to volunteer to hand-pump your own gas!
- As usual, we will have trail maps available in the clubhouse, so be sure to ask about them when you stop by. They are provided to our members for free.

#### Website:

Our website has been "greatly enhanced" by our web guru team. This is also "your" website, and we would appreciate your trail pics, trail condition reports, etc. as the snowmobile season progresses. We have some new pages there, so be sure to check it out!

#### Newsletters:

We would like your feedback on the newsletters. Let us know if there's something specific you'd like us to include.
