Old Business

North Meadow Trail & South Rail Bed Clearing:

The North Meadow Trail and the South Rail Bed west of the Clubhouse to the Log Cabin Inn were cleared by club members on the 24th. Two large poly drainpipes will be installed by the club where needed on the North Meadow Trail. There will be three gates placed on the North Meadow Trail to direct snowmobile traffic.

Porch Decking Repairs and New Rear Porch Steps:

We have a new side deck on the clubhouse, complete with railing and stairs to the back yard. The back wall of the clubhouse was also painted, and it all looks wonderful! Great work by our club board members and officers – we really do appreciate the hard work put in by these folks!

Election of Officer/Directors:

Our four current officers were voted in for another year-long term. Cheryl Gross and Vic Ferree each accepted another three-year term as club directors.

God's Country Black Forest Snowmobile Club SnoCam:

The BFSC has installed high-speed internet and has a SnoCam in operation. A snow gauge will be placed later this fall.

New Business

Germania Store Gas Tanks:

The high-test gas pump/tank at the Germania Store will not be available this winter; only the 87-octane pump will. Also be aware that no gas will be delivered on the weekends by the supplier.
