## HOW TO DONATE TO THE PAGCSC SCHOLARSHIP FUND

The club's major fundraiser each year is the Upper Pine Creek Trout Tournament. As part of that derby, the club awards three \$500 scholarships to local area graduating senior high school students looking to continue their education. Since 2021, we have been joined in that effort by Seneca Resources Company, and this last year (2024) by an anonymous donor and ProCom Roofing Corporation to give out scholarships in higher amounts and with extra numbers. While each year the amounts differ, we really love this program, the good it does, and the way it keeps growing.

We think you might like to contribute to the club's scholarship fund as well. Whether your contribution is \$5 or \$500, it will be very welcome! Just mail in this form, indicating the amount you want to contribute to the club's scholarship fund. All funds raised per year will be distributed equally to that year's scholarship recipients.

Contributions for the next derby will be accepted until May 1, 2025. Any contributions given after May 1, 2025, will be applied to the 2026 scholarship program.
