2025-2026 Business Membership Application

The PA Grand Canyon Snowmobile Club (PAGCSC) has been a part of Tioga and Potter counties for over 30 years. The clubhouse is located approximately one mile west of Colton Road and The Burnin' Barrel Bar/Ansonia Valley Inn (the entrance of the PA Grand Canyon snowmobile trail system). The club provides snowmobilers from around the northeastern U.S. a way to meet others, obtain trail maps, view feed from local trail cameras, buy club merchandise, and purchase fuel for their snowmobiles (only available to club members).

Some of the club's activities include maintaining approximately five miles of trails around the clubhouse, supporting local charities, and hosting a trout tournament every May. The tournament is one of the largest in PA and provides additional revenue for local businesses. As part of the tournament, the club awards three $500 scholarships to local area graduating senior high school students looking to continue their education. Donations from the public scholarship fund are then added to that amount. This past year, the club was able to award four $1,900 scholarships, all thanks to the generous donors! Although the amounts differ each year, we really LOVE this program, and the way it keeps growing.

While becoming a club member has its rewards during the snowmobile season, another benefit of being a member is that several of our business members offer club member discounts (e.g., 5-15% off meals, lodging, in-stock items, etc.) throughout the membership year. Discounts offered to club members are posted on the www.pagrandcanyonsnowmobileclub.com website. When visiting participating business locations, members must show their membership card to receive the discount.

Please complete the enclosed form if you would like to become a PAGCSC business member and have your business promoted on our website (inc., Facebook page) during the October 1, 2025, through September 30, 2026, membership year. If you wish to have your business logo added to the business member's page, please email a copy of your business logo or a photo of your business to: admin@pagrandcanyonsnowmobileclub.com.

If you would like to participate in the program to offer club members a discount while visiting your business and/or donate to the club's scholarship fund, please do so by completing the information on the enclosed form.
